2017 Cooke PTO Scholarship Voting Rules

The voting process:
1. All applications will be collected by a PTO Board Member or board appointed PTO Member.
2. All applications will be reviewed by said member. If the application is complete along with the essay and turned in by April 21, the application will then move on to the voting process. If the application is complete as well as the essay it will be accepted.
3. After the application is accepted, said member will then remove the name from the application/essay (the name is removed to prevent any bias on the part of the voters) and bring it to the May PTO meeting to be voted on. At the meeting, a panel of judges made up of Cooke parents, the principal and several teachers will select a winner.
4. The PTO will inform the highschool of the winner.
